Die and Frankenau visit Wirksworth!

Last weekend we were delighted to welcome to Wirksworth over 50 friends, old and new, from our Twin towns. We arranged visits to Denby Pottery and Chatsworth for our guests and hope you were able to join us for some of the activities in the Town Hall and at Stoney Wood. We'd like to thank *everyone* who helped to make this a memorable visit - both hosts and those involved behind the scenes.

French conversation group

If the weekend has inspired you to brush up your French, perhaps you'd like to join our French conversation group who are meeting next Monday 22 June at 7.30pm at Rae Lewis's house, 4 Yokecliffe Hill?

Please contact Rae on Tel: 01629 824549 if you would like to join.

If you think a beginners' group/class might suit you better, please get in touch with Pam Taylor on Tel: 01629 824457 or pamtaylor54@gmail.com.

Date for the diary

We're giving you a bit of a break to recover after the weekend but would love you to join us for a bike ride or (don't worry, it's not a duathlon!) a walk on:

Saturday 11 July

We're planning to start at Middleton Top at 2.30pm and you can either walk (3 or 4 miles) or cycle (2hrs to 2hrs 30 mins) along the trail, returning at about 5pm for a BBQ in the park quarry area.

More details will follow but do let us know if you're interested in joining us.

For more photos from the weekend see us on  and at <http://www.wirksworthwinning.org.uk>

Easyfundraising

If you shop online you might be able to help us raise funds for free. Over 2,700 retailers (including M&S, Amazon, Tesco, John Lewis) will give us a donation every time you shop on their sites, at no extra cost to you! See our website for further details.
