

Salut! Hallo! Ciao! Hi!

Wirksworth Twinning Newsletter March 2022

Twinning Soup at Farmers Market Saturday 5th March

This proved a great success with many people enjoying the warming effects of the free soup inspired by the tradition in Varallo where everyone shares the same panaccia on Shrove Tuesday.

Thanks to everyone who helped make the soup and run the stand on Saturday. It really was a group team effort. Here is a short reminder:

*Tour**

It was such an incredible show. We were so happy to give so many people a smile in their faces. The people were so kind, prepared food and drinks for us. We thank all the people for their charity. So great that we can give a big donate for the childrens hospital.
