23 January 2020

Grand Merci * Vielen Dank * Grazie Mille

Thanks to everyone who continues to support the work of the Association as we enter this new decade with new challenges. We send a special thanks to committee members who recently stepped down after sterling service to the cause of international friendship through twinning.

Membership

Please note that it is membership renewal time. We do rely on members' contributions to keep the twinning show on the road. So, if you have not done so already, please do renew your membership (and maybe even convince a friend to join as well).

You should have received a membership reminder email but details [are also here](#)

Community Quiz – Friday 13 March

Would you like to join the Twinning quiz team? We need to recruit 6 team members. The best teams are made up of people with different areas of knowledge. So it doesn't matter your area of interest, History, Art, Sport, Music, Geography, Cookery, Current Affairs or just a General Knowledge, you could have a role to play. Please reply to this address by 29 January if you'd like to give it a go.

Twinning Visit to Die 18-22 June 2020

This is our big event for 2020 as we join our partner towns for the festival of the Transhumance in Die (France) which marks the time that sheep are traditionally moved to the mountain pastures.

Further details and how to book will be circulated before the end of January.

Best wishes to all members.
